

School Closure

In the unlikely event of us having to close the school we shall endeavor to make a decision by 7.30am.

In the event of closure we will send a group text to all parents. If you currently do not receive text messages from the school, please contact the [school office](#) with a number we can text you on, as the number we have for you may be out of date.

We will keep our website up to date with any closures and will post regular updates as and when we have news.

We will inform the local authority of any closures.

In the event of heavy snow fall during the school day that causes us to be concerned about children's welfare in relation to returning home, we will again text for immediate collection and update the website.

Please rest assured that any decisions taken to close the school will be based around ensuring that your children are kept as safe as possible.

Please note that if the school is closed, the after school clubs and play centre will also be closed.
