

The Betty Layward Primary School Sports Funding 2016-2017

What is the Sports Premium?

The Department for Education (DfE) is spending over £450 million on improving physical education (PE) and sport in primary schools over the 3 academic years. The funding was first issued for the academic year 2013/2014 and it will continue over the academic years 2014/2015, 2015/2016 and 2016/2017. The funding will be allocated directly to primary schools to spend on improving the quality of sport and PE for all pupils.

Purpose of funding

Schools must spend the additional funding on improving their provision for PE and sport, but schools have been given the freedom to choose how they do this.

At Betty Layward we have decided to use our money to:

- provide specialised coaches for various sports in PE curriculum lessons
- increase pupils' participation in sports and physical activities at lunchtimes
- provide subsidised places for pupils in sports based after school clubs for our vulnerable pupils and gifted pupils
- increase the variety of sports after school clubs on offer for all pupils
- to provide TA training to improve lunchtime activities available to the pupils

Our school allocation

Our school has been awarded £9770 for the academic year 2016 -2017 and we intend to use the funding as outlined below.

Initiative	Funding allocated	New or cont'd activity	Impact (measured at end of academic year)
To provide specialised sports coaching: <ul style="list-style-type: none">• Tennis coaching (2 coaches and court) 12 sessions are to be funded across year 4 costing £720.• Yoga coaching (coach) 12 sessions for Reception and Year 1-4	£1086 £1500	Continued New	

classes.			
To increase pupils participation in sports and physical activity after school by; provide a range of sports club opportunities-Free places in clubs-11 sessions per term over 3 terms. <ul style="list-style-type: none"> • Gifted and talented tennis club • Support for the already available clubs for vulnerable chn 	£945	Continued	
To increase pupils' participation in sports and physical activity at lunchtimes by; <ul style="list-style-type: none"> • employing a sports coach to run organised sports activities at lunchtime- Yoga club-for identified group of chn 	Estimate £750	New	
To provide TA training- Playground training	Estimate £2000	New	Intended outcome: To provide TA training on how to run effective activities in the playground. This could increase our Level 1 intra school competition level. The focus would be on the whole school, providing more physical and mental activities.
To invest in PE Equipment <ul style="list-style-type: none"> • Basketball equipment-nets • Sensory equipment to support interventions • Playground equipment 	£788 £600	Continued	
Adult release time	£750	New	

We will measure the impact at the end of the academic year.
