

The Betty Layward Primary School Sports Funding 2019-2020

What is the Sports Premium?

The Department for Education (DfE) is spending over £450 million on improving physical education (PE) and sport in primary schools over the 3 academic years. The funding was first issued for the academic year 2013/2014 and it will continue over the academic years 2014/2015-2019/2020. The funding will be allocated directly to primary schools to spend on improving the quality of sport and PE for all pupils.

Purpose of funding

Schools must spend the additional funding on improving their provision for PE and sport, but schools have been given the freedom to choose how they do this.

At Betty Layward we have decided to use our money to:

- provide specialised coaches for various sports in PE curriculum lessons
- increase pupils' participation in sports and physical activities at lunchtimes, before school, after school
- provide subsidised places for pupils in sports based after school clubs for our vulnerable pupils and gifted pupils
- increase the variety of sports after school clubs on offer for all pupils

Our school allocation

Our school has been awarded £ 19, 470 for the academic year 2019 -2020 and we intend to use the funding as outlined below.

To provide CPD for table tennis	£350	New	Y3-6	The intended outcome is to provide PE Lead/staff with training in a new sport for BL. This will allow staff to run effective activities in the playground and provide a club for vulnerable chn/groups of chn. This could increase our Level 1 intra school competition level. The focus would be on the whole school, providing more physical and mental activities. For staff to provide a range of games in the school playground. The training was intended to use minimal equipment and can be started off with a member of staff, but is handed over to the children.		
Table Tennis Leadership Award	£350
